

Privacy Policy of www.fitce2012.pl Website

Website Owner

The Owner of the www.fitce2012.pl website shall be the Polish Association of Telecommunication Engineers, seated in Warsaw, ul. Św. Barbary 2/1209. Address for correspondence ul. Kaliska 11/406, 02-316 Warszawa. Any question concerning the privacy policy shall be forwarded by email to: zarzad@sit.org.pl. The Polish Association of Telecommunication Engineers respects personal data of users who register at the website. The below privacy policy includes copyright notices, proprietary claims, and explanation of the issue of personal data.

Personal Data Protection

www.fitce2012.pl website shall neither sell nor make available to other entities any personal or address data (including email addresses) concerning users/readers of the website and all 'subwebsites'.

Personal Data Acquisition

Personal data are acquired only for the purpose of the FITCE 2012 conference and used in relation with the conference. Personal data are stored by the Polish Association of Telecommunication Engineers for a period of time no longer than the period required to hold the conference and shall be deleted afterwards. www.fitce2012.pl website shall have a user database. Passing of the data shall take place on optional basis and is required for registration purposes to use the website. Typically, it is the user's name and surname, address, and, obligatory, a valid email address. www.fitce2012.pl website offers a possibility to modify or completely delete one's personal data from the database (to completely delete data from our database, please contact zarzad@sit.org.pl).

Messages/Advertisement

We hereby reserve the right to send unannounced messages to persons whose contact data have been acquired through our activity related to www.fitce2012.pl website (registration). This term applies to information on news on the website.

Copyright

No materials provided by the www.fitce2012.pl website may be used on any other website. They have been created by editors or other cooperating persons. Therefore, they are protected by copyright and any use thereof shall be contrary to Polish laws.

Disclaimer

The Polish Association of Telecommunication Engineers reserves the right to amend this Privacy Policy except for the section concerning personal data protection which shall not be amended.
